

CONSERVATION

SCIENCE BADGE ACTIVITY SHEET

This is a sample Conservation Activity Sheet only. Its main purpose is to show you some of the interesting activities that you can do when you choose this badge. Also, you can use this sample sheet to start doing the badge activities, while your teacher is sending away for the full activity sheet and badge. If you have completed some of these activities before your full sheet arrives, your teacher can mark this sheet, then transfer the marks to the full activity sheet.

Rating	Exercises in Conservation	Teacher's initials and date
--------	---------------------------	-----------------------------

2*	Compose one song or poem with a conservation message.	
----	---	--

13*	Make a wallchart showing how to reduce damage to the bush when tramping and camping.	
-----	--	--

14**	Draw or photograph 5 parts of identified native plants within your district.	
------	--	--

20*	Collect six traditional proverbs which link conservation with everyday life.	
-----	--	--

32**	Some of New Zealand's native plants and animals are endangered. Select one endangered plant and one endangered animal. List the ways in which each can have its chance of survival improved.	
------	--	--

33*	Interview a person who enjoys catching some type of freshwater fish. List the rules they have to observe & the methods they use to catch the fish.	
-----	--	--
