

# MARINE BIOLOGY

## SCIENCE BADGE ACTIVITY SHEET

This is a sample Marine Biology Activity Sheet only. Its main purpose is to show you some of the interesting activities that you can do when you choose this badge. Also, you can use this sample sheet to start doing the badge activities, while your teacher is sending away for the full activity sheet and badge. If you have completed some of these activities before your full sheet arrives, your teacher can mark this sheet, then transfer the marks to the full activity sheet.

Rating

Exercises in Marine Biology

Teacher's  
initials  
and date

4\* Make a collection of empty shells from a particular site - beach or rock shore. Mount them and name them.

5\* Make a poster about conserving certain types of fish or sea mammals or sea birds.

6\* Write a poem about animals of the ocean or sea shore.

9\* Describe a visit to a marine reserve giving details of the reserve.

14\*\* Look up the theory of how tides work and write a short explanation with diagrams.

15\*\* Draw a simple map of New Zealand, sketch in the main ocean currents and describe the difference between currents and tides.
