

# ZOOLOGY

## SCIENCE BADGE ACTIVITY SHEET

This is a sample Zoology Activity Sheet only. Its main purpose is to show you some of the interesting activities that you can do when you choose this badge. Also, you can use this sample sheet to start doing the badge activities, while your teacher is sending away for the full activity sheet and badge. If you have completed some of these activities before your full sheet arrives, your teacher can mark this sheet, then transfer the marks to the full activity sheet.

Rating	Exercises in Zoology	Teacher's initials and date
1**	Find out about the life cycle of a local fish species, e.g. whitebait, trout, eels and show the information as a poster.	
2*	Write an illustrated article about three extinct animals.	
5**	Read about five different types of fish, make notes or drawings and then give a 2 minute talk to a group.	
6**	Make a mobile showing the insects and other small animals that live in your garden.	
13**	Train an animal to perform a simple task. Keep a record of what you did and why. Describe how the animal responded. Only use positive training methods such as food or praise.	
14*	Describe an interesting experiment involving animals that you have read about or seen on TV. Your report must be clear and easy to understand.
